PROFESSIONAL EXPERIENCE

Software Developer **06/2022 – Present**
Tech Prastish Software Solutions Pvt. Ltd.

- Developed and customized 30+ live e-commerce stores and websites for clients in the USA, Canada and India.
- Built and customized Shopify, BigCommerce, WooCommerce and CS-Cart stores, including themes (Liquid, Stencil), product pages and store features.
- Developed custom WordPress themes, plugins and WooCommerce shops using PHP, Laravel and MySQL.
- Converted designs into responsive, cross-browser pages with HTML, CSS, JavaScript, jQuery and Bootstrap.
- Handled bug fixing, site speed improvements and ongoing maintenance of live client websites.
- Used AI tools (Claude, ChatGPT, Gemini, Cursor, GitHub Copilot, Antigravity) for code generation, debugging, refactoring and documentation, speeding up delivery on client projects.

Software Engineer Intern **09/2021 – 02/2022**
Techlive Solutions

- Hands-on web development on live projects.

KEY PROJECTS

BigCommerce

- **Hair Flair** (shop.hairflair.ca) – Hair extensions store with pro accounts and CAD/USD currency switching. Customized the Stencil theme and product pages, with responsive layouts across devices.
- **RAM Products** (ramprodinc.com) – Multi-category store for dental, nail and hobby micromotors. Customized the Stencil theme, category navigation and product pages across its three product ranges.
- **Finn Comfort USA** (finncomfortusa.net) – Comfort footwear store for men's and women's shoes, sandals, clogs and boots. Customized theme sections, product pages and responsive layouts.

WordPress / WooCommerce

- **Healer** (healer.com) – Wellness products website. Built custom WordPress templates and responsive layouts for product and content pages.
- **Healer CBD** (healercbd.com) – WooCommerce shop for CBD products. Set up and customized the WooCommerce store, product pages and responsive layouts.
- **FishGuide** (fishguide.com) – Multilingual fishing guide and directory website. Developed custom templates for guide and directory listings with multilingual content support.
- **TiE Chandigarh** (chandigarh.tie.org) – Website for the Chandigarh chapter of TiE, a global entrepreneur network. Built custom page templates and responsive layouts for chapter content.

Shopify

- **Fairground Diamonds** (fairgrounddiamonds.com) – Diamond jewellery store. Customized the Shopify theme with Liquid, building custom templates and sections for product and collection pages.
- **Pillow Slides** (pillowslides.com) – Footwear store. Customized Shopify theme sections and product pages, with responsive layouts for mobile shoppers.
- **Pacific Shaving** (pacificshaving.com) – Shaving and grooming products store. Customized the Shopify theme with custom sections, templates and responsive pages.
